

MP
WINE
SHOW
2021

SCHEDULE

9-10 NOVEMBER 2021

The Mornington Peninsula Wine Show is a regional wine show which aims to support excellence in the local wine industry. The objective is to show only Mornington Peninsula wines within a system which the Australian wine industry recognises, and where we can ensure the integrity of the system within our region.

Local producers can receive realistic feedback from a panel of judges - a snapshot of the perceptions of wine can be useful to understand positioning of wine in the marketplace, for producers and consumers. The key regional potential is for all producers to engage within our region and to build on the strengths within – to encourage quality production and excellence on a consistent and high level and to be proud of these achievements.

There will be scoring out of a 100-point scale which will allow those who reach the appropriate level to enter the National Wine Show if desired. The highlight will be the Provenance Awards, which will highlight regional excellence in quality and consistency over 3 vintages in Chardonnay and 3 vintages in Pinot Noir.

We endeavour to announce trophy winners on Friday 12 November, preceded by an Exhibitor's Tasting if restrictions allow.
